

WEDDING FAVOURS

Your Wedding day will be a magical day to remember and no doubt your guests will play an important part in adding some sparkle to the occasion. So why not give them a very special thank you with one of our beautiful wedding favours?

Inside each jar is a delicious shortbread cookie mix just waiting to be baked! And whilst our jars may be petite, they each make around half a dozen cookies for your guests to enjoy.

We want to help you make your wedding day special, so we offer a number of ways to tailor your wedding favour mixes to make them personal to you. This guide is designed to give you some ideas as to how we can add that personal touch. If you have a special request, please don't hesitate to get in touch.

FLAVOURS

We offer the following range of flavours as standard, but if there is something specific you have in mind, then please do let us know, and we will do our best to create your ideal baking mix!

- Vanilla
- Lemon and Poppy seed
- Strawberry and white chocolate
- Chocolate Chip

COLOURED SUGARS

All our coloured sugars are created by hand, in-house so we can blend a colour to tie in with your colour theme. (Please note we cannot guarantee to match an exact colour given the nature of natural food colourings, but we will get it as close as we can!)

RIBBON

Our standard ribbon colour for favours is ivory as shown in the photograph above, but if you have a specific colour in mind, please let us know and we will work with you to find a match.

PERSONALISED WOODEN HEARTS

To add that perfect finishing touch, why not add a personalised wooden heart to your favour with your choice of words.
